

Managing the risk of Anaphylaxis

Presented by Anaphylaxis Australia Inc.

Presenter: Maria Said, President, Anaphylaxis Australia Inc

- This interactive workshop will examine allergy, intolerance and anaphylaxis.
- It will give a snapshot of what happens when someone has an allergic reaction.
- Information on what a severe allergic might look like and how one would respond in an emergency.
- Attendees will be walked through the Action Plan for Anaphylaxis and administration of an adrenaline autoinjector.
- Significant case studies will be discussed.
- Also covered in this workshop is information on food labelling and 'may contain' statements.

If you wish to know more about allergy and anaphylaxis and its management, join us for this informative workshop.

Each attendee will receive a workshop booklet. Selected resources will be available for purchase. Light refreshments provided.
